Guidelines for YIA

- a) Young Investigators are defined as being 35 years old or younger at the first day of the Conference;
- b) In order to participate You have to:
 - Submit 2-page (1 200 words) paper describing their studies
 - Fill in the YIA application form
 - Present the paper as poster presentation at the Conference
- c) The Scientific Committee (SC) will evaluate the papers and select 10 best as potential YIA winners;
- d) During the Conference the SC members will watch the posters and communicate with all the potential YIA winners;
- e) Evaluation of the paper will be based on the set of criteria as follows:
 - The title of the study should be clearly relevant to one of the main- or sub-topics of the Conference.
 - Only research papers will be under consideration.
 - The paper/poster should be structured in the following way: Introduction, Objectives, Method, Results, Discussion, References.
 - APA or equivalent format guidelines should be used.
- f) There will be 3 YIA winners, including: first prize (5 000 sek); second prize (3 000 sek) and third prize (2 000 sek).
